Dear Judge Sinclair:

I have been advised that two employees of this Agency who fall within that special category of employees that members of my office have previously discussed with you have been summoned for jury duty in your Court commencing 17 September 1973. It is my understanding that you believe such employees should not serve on a jury.

The employees are identified by copies of their jury summons returned under separate cover and, as previously agreed, we ask that this letter and the names of the employees not be joined together. [REDACTED] of my office will be pleased to explain the circumstances further if you desire. He can be reached at the following number: [REDACTED]
